Describe your practice in 3 words

Shape, pattern and colour

How did you first get into Art? I am a compulsive maker and I think I always have been! I've been painting, drawing and making things from textiles for as long as I can remember! My mother was a painter and my father did textiles and ceramics, so I was always encouraged to be creative.

What is it that you love about the concept of small? Small allows an intimate scale of working and an opportunity to develop ideas more quickly than large scale works.

Your Happy Birthday message to GOST Happy birthday GOST! What a fabulous 5 years! Thanks for all your support, hard work and generosity

An achievement that stands out for you in your arts practice between 2017 and 2022 Successfully relocating the focus of my art market from Sydney back to Canberra in 2020 is something that really stands out. GOST has been vital in allowing this successful transition and promoting my practice to new and existing audiences.
